## The Vision of Nevada Outdoor School:

At Nevada Outdoor School, we envision a world where all people have the opportunity to learn and grow outdoors and choose to do so; a world where our youth have the desire and skills to become engaged citizens, to become the next generation of leaders, scientists and great thinkers. We will not hide from our need to use or from our responsibility to respect and conserve the Earth's natural resources. In the society we see, no child born will be the last to be inspired by the natural world.
