**TOTAL VALUE OF IN-KIND LABOR**  
\$7332

**TOTAL NUMBER OF VOLUNTEERS**  
58

**TOTAL HOURS WORKED PER VOLUNTEER**  
6

**TOTAL HOURS VOLUNTEERED**  
348

#### DIRECT RESULTS

- Approximately 1800 lbs of trash removed from Recreation Area
- ¼ Mile of trail reworked and seeded with native plants and grasses
- 10 grill site installation initiated
- 1 trail sign positioned
- Large portion of recovering burn area seeded and raked

#### Summary:

Lower and Upper parts of the Water Canyon Recreation Area were thoroughly walked with approximately 1800 lbs of trash removed. One quarter mile of trail was rehabilitated and de-vegetated. Ten new grill sites were installed in designated areas throughout the Recreation Area. Members of BLM Fire Rehabilitation team reseeded and raked multiple acres of the burned section located in the lower part of the canyon's recreation areas.
